

Ciaran's Notes Saratoga:

Race 5: mile 1/16 turf

8 7, 6 2

#1 Big Braciolo 15-1 drops in class nothing on paper but jockey is 29% for trainer, drops, damn has 5 winners from 7 and a turfer. Trainer stats poor though,,maybe horse on a crazy tick - 2nd look upgrading this horse with hot jockey and as fast as the top 2 choices in here (XXX)

#2 Dynadee 5-1 2nd time lasix has 3rd power but lasix didnt do much last time has 3rd power rating

#3 Dixie Hex 20-1 up in class nothing jumps out

#4 Harrier 10-1 ships from Colonial nothing jumps out

#5 Languid 8-1 johnny v rides for 33% trainer only reason

#6 Crowned Moment 6-1 debut horse for trainer who has very good stats on this

#7 Inherent Promise 7-2 Gaff rides 2nd power top everything ships in from gulf

#8 Capricious Outcome 8-5 Prat for Chad top power usual stats single candidate

#9 No Filter 20-1 trainer is 33% only positive I see

Race 6: Mile inner turf Stakes - last 14 races 50% 5-1+

1, 8,5,9,6,10,11 SEPARATOR race in Pick 5 as many will single #1

#1 Zulu Kingdom 5-2 Prat for Chad usual big stats won 5 in a row b4 losing here in June, 2nd best closer, 3rd power , rail is winning 20%

#2 Maycocks Bay 15-1 up in class off lasix dirt to turf trainer is 22%, definitely a trifecta/exacta horse underneath like yesterdays big price winner and then smaller exotics this over others USE on pk longshot tick(XXX)

#3 My Boy Prince 9-2 Davis for Casse 1st time routing since last fall, Jose rodes last 3 and leave

#4 Neat 15-1 won last at Monmouth for this jock, trainer is only 6% but 35% winners last race and 23% off 1-2 months, would be a big upset though

#5 Pass The Hat 6-1 Johnny V for Mott won 2 in a row the last under this jock. Has a chance so not to be ignored but unexciting to me

#6 Cruise The Nile 8-1 Motion horse this jocked is winning 31% for a big roi from 75 races, won 4 in a row b4 running 3rd last out, Is slower than other picks in here but stats are hard to ignore use somewhere

#7 Itsallcomingtogtha 30-1 off lasix will try to wire them so should create the pace here

#8 Mi Bago 12-1 Jose stays here off a win here last out going longer. The "other" Casse - if Jose is here and not on the 9-2 Casses My Boy Prince this one is live and a use

#9 Cosmic Year 6-1 Franco for Chad lost by a neck last out slightly longer, 2nd power rating up in class, 2nd start off the layoff are shippin in from Newmarket in England (like Santa Anita), top closer

#10 Tiz Dashin 10-1 Castellano is 33% for small stable, has the top power rating but rarely wins and is 0 for 3 at Sara, Drops in class, Trainer has good stats - MUST use in exotics/trif and therefore somewhere on longshot tick

#11 Capitol Hill 10-1 won 2 in a row prior and lost by a nose last out all at distance, more for underneath but I would not fault for throwin on a longshot tick (budget able)

#12 Castle Chaos 8-1 MT only

Race 7: 6 furlongs dirt MSW.. 11 races fav is 18% and 45% are 5-1+
8,6,2, 4 1

#1 Midnight Honor 5-1 debut horse trainer is 0 for 7 1st time and 0 for 8 distance on dirt, sire is 18% 1st time starters and damn has 3 of 4 winners

#2 Luckbeourlady 4-1 debut horse Franco rides for Clement who has big stats - 25% 1st time lasix, 23% msw, 26% 1st time and 31% debut in MSW so use based on those

#3 Liberty's Secret 5-1 small stable is 2 of 8 for a big profit in msw but 0 for 10 1st time lasix

#4 Lively Pal 8-1 trainer is 33% last 55 races

#5 Carmen Amalia 15-1 Johnny V for a 5% stable jockey would be only reason

#6 Garden of Grace 6-1 claimed for 50k last out and protected today. Jock/trainer hit on prices, top power rating tied with fav, 2nd best closer trainer is 0 for 5 maiden claimers to mdn. Carries top weight as oldest in

race. The high weight is why not top choice here but the price is right (and unlikely - probably be 3-1

#7 Run On States 8-1 tyler rides, adds lasix 1st start since dec trainer is 0-9

#8 Liberty's Advance 5-2 top closer, adds lasix top power (tied) sharp work this trainer is 22% for a big profit 2nd off the layoff, single candidate but also upgrade the #6 Garden of Grace

#9 Run Flat 30-1 debut nothing jumps out

Race 8: 5.5fl turf Stakes fav is 36%
2,3 9,10,4,1

#1 Bring The Band Home 7-2 1st start since nov for Casse, some sharp works trainer is 18% off a long break

#2 Boss Sully 5-1 Rosario rides (pay attention he is coming to Del Mar and has things to prove - a jockey to consider every race). Drops in class for Koriner these 2 are 2 of 4. Shipped out from SA. Top power rating, sharp works. Trainer is 0 for 12 winner last race however - single potential but..

#3 Possiblemente 4-1 Jose for Sharp drops in class 27%, Top closer, 2nd power rating OFF LASIX however and all wins on the juice...maybe for jockey but questions - jockey picked upgrade twice

#4 Twenty Six Black 3-1 franco rides drops in class with a sharp work, jockey ride dependent defensive use somewhere

#5 Jean Valjean 15-1 up in class trainer has good stats but seems slower than others (XXX)

#6 Coppola 30-1 up in class slower than others

#7 Chasing Liberty 8-1 won last out under Ortiz who leave, davis hops on - underneath exacta and trif horse - upgrade whoever Jose rides

#8 Outlaw Kid 10-1 raced a week ago trainer is 1 of 4 on this, Has issues last race bumped and crowded and a late run. This jock is 1 for 2 for a huge roi for trainer.. I usually dont bet quick turnarounds BUT using somewhere on longshot tic maybe (XXXX)

#9 Full Disclosure 15-1 Gaff hops on or small stable that is winless, blinkers on - this is the 2nd fastest horse in the race speed wise so MAYBE

#10 We're In Trouble 12-1 Prat for McCarthy are 33%, 3rd power, won last out under Jose, again another upgrade reason for the Jose horse, Prat riding use angle here

Race 9: mile half turf
4,13, 1,12,10 3,5

#1 Miztertonic 4-1 drops in class from a g3 the best race in a year. Sharp works trainer and jock are 0 for 6 but maybe this 7 year old is feelin it

#2 Complex Agenda up in class won last out

#3 Bettrluckythangood 6-1 Prat for Clement are 22%. Jose left. Horse has not win since 2024 gets lasix - Prat is only reason

#4 Fort Thomas 8-1 Jose lands here for a train he is 4 of 7 for a huge roi. 2nd power, lost by a neck going 1 $\frac{3}{8}$ last out, sharp works must use wont be this price

#5 Alakan 10-1 Motion horse Ruiz who is 31% from 75 for trainer rides. Jose rode last and bails

#6 Blue Pill 50-1 slower than others

#7 Presider 20-1 has sharp earlier speed then fades but should make pace in this race and help closers (XXX)

#8 Offlee Naughty 10-1 has not win since 2023

#9 Versailles Road 10-1 won last out under Franco, Gaff rides today for pletcher who is 3% now

#10 Noble Dynasty 5-2 on lasix for Mott and Alvarado rides, they are 19% - this price seems low - this is the kind of horse that traps u and is a strong toss consideration

#11 Greystone 15-1 2nd best closer in race but this jock is 0 for 6 for trainer Maker (XXX)

#12 Noble Factor 15-1 Rosario has never been this far but horse has 3 2nd from 3 in soft (if it is soft). Rosario is a bet right now as mentioned b4

#13 Write Off Jerry 8-1 Johny V rides , top power, won 2 in a row under Jose who left so mega upgrade for the Jose horse #4, was on AE but drew in MUST use but also upgrade #4
