CIARAN'S NOTES

Find value. Find longshots. Find opinions that win.

Ciaran's Notes highlight value plays, longshots, trip notes, and betting opinions that help you find horses others overlook.

1
VALUE PLAY

Ciaran's top value pick. Horses he believes are priced below their true chance.

3
OPINION

Ciaran's strongest opinion on the race. What he thinks will happen.

5
ADDITIONAL NOTES

Extra insights, pace thoughts, and key considerations.

2
LONGSHOT PLAY

High-price horses with the best shot to surprise. Ciaran finds them early.

4
TRIP NOTE

How the expected trip sets up for each horse. Trips win races.
